Dear Fellow Simmental Breeder,

We would like to take this opportunity to invite you to become a member of the Minnesota Simmental Association (MSA). Not only does a MSA membership benefit you as a breeder by listing your contact information in our yearly membership directory but it also benefits our youth where a portion of our association dollars are spent.

Each year we nationally distribute our Membership Directory Map to thousands of potential customers and breeders via the May/June issue of The Register. Listing in the directory is free to paid MSA members and includes your name, farm name, address and contact information. There are also larger colored ad spaces available to highlight your program, which are auctioned off each year at the annual MSA banquet held in conjunction with the MN State Simmental Sale. These larger spaces have been filled for 2011 but if you hurry you can still get your contact information listed in this year's directory!

A portion of our association fees are also used to sponsor numerous youth programs and activities throughout the year; some of which include the North Central Regional Show, the MN Beef Expo Jr. Show, the MN 4-H State Fair Show, the MN Jr Spring Classic and the MSCA-Youth Beef Program Experience.

In order to make sure your operation is listed in the 2011 MSA Directory you need to get your membership fees mailed in prior to March 25th.

Sincerely,

Adrienne Hilbrands
MSA President
